

# FEATURE MATRIX

		PRO	PREM	LE
<b>MAIN ATTRACTIONS</b>	In Pokémon by Stern Pinball, Trainers embark on an unforgettable journey across four distinct habitats, discovering, catching, and bonding with many of their favorite Pokémon.			
	Players will shoot the illuminated, mechanically animated Poké Ball to catch wild Pokémon and complete their Pokémon Collection.			
	The playfield features beautifully crafted Pokémon-themed ramps, spinners, and targets. Watch as the animatronic Pikachu reacts to your gameplay, cheering you on every step of the way!			
	Trainers can battle their way through Rival Trainers, and compete in the arena through dynamic, custom battle sequences.			
	Danger lurks as Team Rocket and their infamous boss, Giovanni, plot trouble. The ball interactive Meowth Balloon toy swoops down onto the battle arena to challenge the Trainer.			
	Every element of Pokémon has been meticulously crafted with attention to detail, honoring the rich legacy of the beloved franchise.			
	The machine integrates video clips from the original animated series, immersing players in the world of Pokémon.			
	Bringing the experience to life even further, custom voice work for Pikachu and the notorious Team Rocket leader, Giovanni, captures the spirit and humor that fans know and love.			
	To complete the nostalgic journey, the game proudly includes the iconic "Pokémon Theme (Gotta Catch 'Em All)" song, a true celebration of the timeless Pokémon adventure.			
	Utilizing Stern Pinball's award-winning Insider Connected, Pokémon elevates the experience by connecting Trainers and their adventures across machines and locations. When Trainers play Pokémon by Stern Pinball while signed in to their Stern Insider Connected Account, the Pokémon they CATCH will be added to their Insider Connected Pokémon Collection, which can be viewed in the Insider Connected app.
